Seoul National University

Language Education Programs

Seoul National University (SNU) was established in 1946 as a national university in South Korea. SNU offers a wide range of undergraduate and graduate programs in various fields, including language education. The university is recognized for its strong academic reputation and its contributions to the development of education in South Korea.

REGULAR PROGRAMS

In the School of Education, Seoul National University offers several majors and programs for students interested in language education. These programs include Bachelor of Arts in Language and Cultural Studies, Master of Arts in Language and Cultural Studies, and Doctor of Philosophy in Language and Cultural Studies.

SPECIAL PROGRAMS

Seoul National University also offers special programs for students interested in language education. These programs include the Bachelor of Arts in English Language and Culture, Master of Arts in English Language and Culture, and Doctor of Philosophy in English Language and Culture.

Seoul National University's commitment to language education is evident in its various programs and initiatives. The university is dedicated to providing students with a comprehensive education in language and culture, preparing them for careers in education, translation, and related fields.
