4. How to throw away garbage

- Put garbage into the waste bags and throw it away in the designated place (Next to the main entrance) during evening hours.

- You need to purchase food waste bags (yellow color, 2L), general waste bags (white color, 10L) at supermarkets or convenience store. Put garbage into the waste bags and throw it away in the designated place (Next to the main entrance of the dorm building).

- General waste is all kind of garbage except for those which can be recycled.

(Recyclable waste: papers, paper boxes, plastics, glass bottles, plastic bottles, tin cans, plastic bags for wrapping, etc.)

-Please only put books or boxes in the recycling bin marked '종이Paper'.

Anything else is not recyclable and should be thrown away in the general waste bag.

- Food waste should be dehydrated. Put it into the food waste bags and dump it into food waste can.

- Before you throw away any waste, please ensure that it is washed. Waste can be recycled, provided it is free of contaminants.
